

GAP BRIDGING THE GAP TOWARD SAVINGS

Guaranteed Asset Protection

Avoid the blind spot of unexpected expenses

This is a waiver designed to bridge the gap between the amount your primary insurance will cover in the event of a total loss and what you still owe under your finance contract.

Accidents happen. Sometimes serious ones that can result in your vehicle being deemed a total loss.* In the event of a total loss, insurance may only cover part of the balance owed on your vehicle. GAP may protect you from the potential financial burden of what your insurance company doesn't cover.

Our protection doesn't stop at 4 wheels! We provide coverage for powersport vehicles (on and off-road) and commercial trucks.

*Total loss means direct or accidental physical damage loss to your vehicle or if your vehicle is stolen and not recoverable within 30 days. Additional coverage is available to cover the amount of your physical damage deductible on the primary carrier's policy up to \$1,000 under our GAP Plus program.
