Tire & Wheel Protection

Tire & Wheel coverage you can count on!

Tires and wheels are some of the most damage-prone components on your vehicle. They are the only things between you and the road which is full of potholes and debris that may be hard to avoid.

But now you can avoid the expense of tire or wheel repair or replacement with NLPP Tire & Wheel Protection.

Covered Road Hazards include potholes, rocks, wood debris, metal parts, plastic or any item causing tire, wheel or rim damage beyond normal wear and tear.

NLPP Tire & Wheel Protection

...is a smart investment to protect you and your family from the expense of tire and wheel damage from the everyday hazards of the road.

“Nearly 1/3 of the nation’s major urban roads are rated in substandard or poor condition, providing motorists with a rough ride and increasing the cost of operating a vehicle”
