# GAP COVERAGE Features & Benefits

# **DID YOU KNOW** the market value of your vehicle begins to depreciate nearly as soon as you take possession?

And for the first few years, it's likely to continue to depreciate faster than your loan/lease balance.

This means if your vehicle is declared a total loss, your insurance settlement could be thousands of dollars less than what you owe on the loan/lease and you'll have to pay the remaining balance. *Plan for the future now with our cost-effective GAP Coverage!* 

# HERE'S HOW IT WORKS:

| Loan/Lease Payoff*          |   | \$15,000 |
|-----------------------------|---|----------|
| Insurance Settlement        | - | \$10,000 |
| Balance Left to Pay         |   | \$5,000  |
| Insurance Deductible        | + | \$1,000  |
| Your Out-of-Pocket Expenses |   | \$6,000  |
| With Gap Protection         | - | \$6,000  |
| YOUR OUT-OF-POCKET EXPENSES |   | \$0      |

#### FINANCIAL BENEFITS:

When you purchase GAP coverage, your dealer/creditor is agreeing to waive the difference between your outstanding loan or lease balance and your primary insurance settlement (which is the actual cash value of your vehicle on the date of loss) should your vehicle be declared a total loss.

## **DEDUCTIBLE COVERAGE:**

We'll cover your primary vehicle insurance deductible up to \$,1000\*.

# **SMART INVESTMENT:**

Looking at used vehicles? Want a longerterm loan to keep your payments low, or only have a small down payment? These scenarios can produce an even bigger financial gap if your vehicle is totaled – and make our GAP coverage even more important to have!

## **PROTECTS YOUR CREDIT:**

Our GAP coverage helps protect your good credit by ensuring you don't get caught upside-down. Don't get stuck paying for a vehicle you no longer have and left without the finances to get a new one.
